MINUTES OF THE SIXTY-THIRD ANNUAL CONVOCATION

The Sixty-Third Annual Convocation of the Protestant Episcopal Church in the Missionary District of Arizona convened at 4:00 p.m. on Wednesday, February 8, 1956 in Trinity Cathedral, Phoenix, Arizona, with the Rt. Rev. Arthur B. Kinsolving, 2nd, Bishop of the Missionary District of Arizona, presiding.

After opening prayers, the roll of all canonically-resident clergy and of all registered delegates was called by orders, a quorum was declared present, and the Bishop declared the Sixty-Third Annual Convocation duly convened.

Upon Bishop Kinsolving's requesting nominations for Secretary of Convocation, the Rev. Paul D. Urbano was nominated from the floor, it was moved that nominations be closed, and the Rev. Mr. Urbano was thereupon elected Secretary, choosing as assistant the Rev. Mr. George P. Sampson.

The Bishop then announced his appointments to membership on the following committees, to serve through the next succeeding convocation: Credentials, Time and Place of Next Convocation, State of the Church and Bishop's Addrss, Canons, Committee on Nominations, Committee on Resolutions, Committee on Dispatch of Business.

Beginning at 4:20 P.M., the following reports were made to the Convocation: the report of the Secretary of Convocation; the report of the Council of Advice; the report of the Financial Secretary.

There followed the reports of the departments of the Executive Council in this order:

1. Missions
2. Christian Education
3. College Work
4. Youth
5. Christian Social Relations
6. Publicity

The report of the Department of Promotion was not produced.

Convocation re-convened at 9:30 a.m., Thursday, February 9, 1956.

Following prayers led by the Bishop, the following proceedings were had.

The Rev. George W. Ferguson, Chairman of the Committee on Dispatch of Business, recommended the following procedure, which was adopted:

1. Reports from the Treasurer and Chancellor
2. Report of the Committee on Credentials
3. Report of Committee on Nominations
4. Election (first ballot)
5. Reports of the Standing Committees and Institutions
6. Second ballot (if necessary)
7. The Bishop's Appointments
8. Noonday Prayers
9. Introduction of Resolutions

Copies of the budget having been distributed, Mr. Gollwitzer, the Treasurer, proceeded to make his report. He found it necessary to answer only one question concerning the budget, and commended Mrs. Rudolph on her work of preparation. Mr. Gollwitzer further explained than an evident error in the total of the quota and assessment by saying that the amount of the liability insurance was not received until the last minute, but the budget sheet had necessarily to be prepared in advance. He also explained, in answer to a question from Mr. Roger Manning, that the amount of the premium for liability insurance for each congregation is determined by the insurance company according to the risk involved. In answer to a question from the Rev. Mr. Charles Leel, Mr. Gollwitzer stated that the charge of ten cents per communicant for the Arizona Church Record is included in the assessment.

At this point, the Bishop remarked upon the peculiarities involved in the budget procedures of the District, which make it necessary for the annual budget to be implemented for a month and a half before it is formally voted. This situation comes of having the Convocation in February. The Bishop emphasized that the budget was, nevertheless, presented for criticism, and that any corrections desired by Convocation would certainly be made.

The Rev. Mr. Ferguson moved the adoption of the budget. The motion was seconded and carried unanimously.

The Bishop then inquired of the Chancellor whether, in his opinion, it was necessary for Convocation to vote upon the quota and assessment separately, the budget having been accepted; and, the Chancellor replying he thought it would be good custom, Mr. Ferguson so moved, and the motion was seconded and carried.

Mrs. Rudolph, having been invited by the Bishop to do so, described to Convocation the difference between the quota and the assessment, stating that the assessment is in the nature of a legal tax for the support of the District, whereas the quota is in the nature of a voluntary missionary offering.

The Bishop next explained that, although the appropriation for English-speaking work is only $19,600 in the budget, 15% on these salaries for the Church Pension Fund brings the total to $24,000.

Mr. Gollwitzer suggested that the above description of the difference between quota and assessment be printed in future on the budget to avoid misunderstanding. He further requested resolutions be passed authorizing transfer of certain small balances and funds to take care of situations that arise every year. These resolutions were read by the Treasurer, moved by the Rev. Mr. Ferguson, and seconded. Following comment by the Bishop, these resolutions were passed.

The Bishop, after praising both Mr. Gollwitzer and Mrs. Rudolph for the performance of their duties, called upon the Chancellor, Mr. Ryley, for his report, and thanked him for it afterwards.

The Bishop then made good an omission from his address of the night before by declaring the good condition of the Church of Our Saviour, McNary.

The Chairman of the Committee on Credentials proving absent, his report was read by the Secretary of Convocation.

At this juncture, the Rev. Mr. John Jay Hughes, Rector of St. John's, Bisbee, came in, and was introduced by the Bishop.

The Bishop next appointed as tellers: The Rev. Messrs. Sampson, Blackburn, Messrs. Fred Jackson and Albert Tibshraney.

Following the reading of the report of the Church School by Mail, read by the Rev. Mr. Walter Dugan, the Bishop introduced Mrs. Moberg, the new head of the Church School by Mail.

Next, the Bishop made clear the fact that clergymen not canonically affiliated with this jurisdiction might have voice, but no vote, and directed the tellers to distribute the ballots. He also explained certain offices to be voted upon in the ballots and clarified the question of how many persons should be voted for in each category. Finally, with respect to the delegates and alternates to Synod, he inquired whether the house was not willing to have the three persons with the highest number of votes be delegates, and the next three alternates. This was moved, seconded and carried.

Upon Mr. West's inquiring whether the Secretary of the Convocation was not ex officio a member of the Executive Council, the Bishop had it looked up in the canons, and this was found to be the case.

Here there was a short recess while the ballots were marked.

Following the marking of the ballots, the Bishop requested Mr. Stephen Shadegg to make a report on the Church's plans for radio and television programs.

Mr. Shadegg proceeded to explain that, in the past, the national Church had experimented with radio and television, with results both good and bad. Therefore the laymen of the Church experienced in these media had been called upon to use their experience in behalf of the Church; and these laymen held a meeting in December to explore the whole question. Out of this meeting came a questionnaire currently being circulated. The immediate objective is to prevail upon radio and TV stations to use the Church materials available on public service time and without pay. The committee further plans to make available short portions of the services of the Church at the appropriate hours.

Next, The Rev. Mr. Jerry Wallace gave the report of the Board of Examining Chaplains, adding that he was retiring as Chairman of this Board after ten years of service.

There being no formal reports from either the Ecclesiastical Court or the Marital Relations Board, the Rev. Mr. Charles Crawford proceeded to report for the Committee on Summer Conferences.

There followed the report of the Committee on Church Architecture.

The Chairman of the Committee on Armed Forces, Mr. Sasse, being ill, his report was read by the Secretary; and Mr. Meder thereupon read also the report on Fort Huachuca.

Convocation was recessed until 11:30 a.m.

At 11:30 a.m., Bishop Kinsolving re-convened Convocation; and the report on St. Luke's Hospital was read by the Secretary on behalf of the Rev. John Davis, Chaplain. The Bishop added to the report his personal commendation of Mr. Carroll Phelps, the former administrator.

The Secretary then read the report of St. Luke's-in-the-desert.

The Rev. Mr. Davis Given then arose to report upon The Good Shepherd Mission at Fort Defiance. Mr. Given stated that the most heartening aspect of his work had

lately been the huge increase in the number of persons in the District who make contributions to The Good Shepherd Mission. The Rev. Paul West added to Mr. Given's report his personal observations on the very great spiritual improvement in the mission.

The tellers still being out, the Rev. Jerry Wallace arose to reopen the question of the incorporation of parishes which was discussed at the Convocation of the preceeding year in Prescott. Although he had voted against this question at Prescott, Mr. Wallace said that he desired to reverse himself and to have the whole matter reconsidered, in view of the tremendous growth of the Church in this jurisdiction. Upon being asked by the Bishop what was the legal stiuation, the Rev. David Trimble stated that, in order to authorize incorporation of parishes, it would be necessary to pass a new canon; and this could not be done without proper canonical notice of one month before Convocation.

Hereupon, Mr. Shadegg moved that the Bishop appoint a committee to investigate the merits and demerits of incorporation of parishes.

Mr. Fowler requested the Bishop to ask the opinion of the Chancellor as to whether any legal action was really necessary in all this, he himself being of the opinion that any parish might incorporate itself. The Chancellor not being present, Mr. Robert Mays, the counsel who set up the incorporation of St. Philip's-in-the-Hills, Tucson, arose to describe what had taken place there, and to state his opinion that no law of the Church did either then or now prevent such action. He suggested an amendment to Mr. Shadegg's motion to appoint an investigating committee, his amendment being that the committee should also consider the question whether any action was legally necessary on the part of Convocation. Mr. Shadegg accepted this amendment.

Mr. Guy Stillman then arose to state his opinion that there were already in the District committees appropriate to consider this matter; and he moved that Mr. Shadegg's motion to appoint a new committee be tabled. This motion to table was lost.

Here the Rev. Mr. Trimble read noonday prayers.

Following noonday prayers, The Rev. Paul West arose to explain the difference between (1) simple incorporation of a parish and (2) the taking of title to its property. He pointed out that his parish was, without any thought of removing its titles from the Church Corp. of Arizona, proceeding now to incorporate itself; and this without any suspicion of conflict with the laws or customs of the jurisdiction.

The motion to appoint a committee was then voted on, passed; and the Bishop proceeded to appoint: The Rev. Mr. Trimble, the Chancellor, the Rev. Paul West, this committee to be added to at the Bishop's leisure.

Next, the Bishop introduced Bishop Quarterman of north Texas.

After this, the resolutions were read and passed unanimously.

The tellers having now come in with the results of the election, the Rev. Mr. Ferguson read the names of those elected.

After the Rev. Mr. Kurtz had read his report on The State of the Church and the Bishop's Address, Convocation was adjourned until the Joint Session with the Woman's Auxiliary at 2:00 p.m.

MINUTES OF THE SPECIAL CONVOCATION

The Special Convocation of the Protestant Episcopal Church in the Missionary District of Arizona convened at 11:00 A.M. on Wednesday, October 26, 1955, in Trinity Cathedral, Phoenix, Arizona, with the Rt. Rev. Arthur B. Kinsolving, 2nd, D.D., Bishop of the Missionary District of Arizona, presiding.

Following opening prayers, roll was called, all clergy and all registered delegates from congregations being called by orders, a quorum was proved present, and the Bishop declared the Special Convocation duly convened.

As the first order of business, The Rev. Paul Urbano, regular Secretary of Convocation being ill, Bishop Kinsolving requested nominations for acting secretary of Convocation. The Rev. Messrs. Raymond Kurtz and William Pottenger were nominated from the floor. The Chair asked the two candidates to leave the floor while a standing vote was taken. The Rev. William Pottenger was thereupon duly elected as Acting Secretary of Convocation. He appointed the Rev. Mr. Kurtz his assistant.

Bishop Kinsolving then asked for the report of the Committee on Dispatch of Business. The report was given by the Rev. George Ferguson. The report was accepted.

The Chair then recognized Mr. Howard Holmes, Chairman of the Commission on Diocesan Status, who presented the following resolution which had been prepared by that committee.

"WHEREAS we are a committee appointed by the Bishop at the direction of the annual Convocation held in Prescott, Arizona on February 16-17, 1955, to explore the possibilities of Diocesan Status for Arizona; and

"WHEREAS we have met regularly since that Convocation and explored all avenues open to us;

"THEREFORE BE IT RESOLVED that the special Convocation of October 26, 1955 be urged to approve a capital funds drive, directed by Mr. R. C. Dennis, the minimum goal of which is to be $500,000.00, $300,000.00 to be allocated for Diocesan Status and the balance to be allocated to Missionary Expansion, the disposition of which be entrusted to the Department of Missions and Expansion, with the advice and consent of the Bishop, until such time as a subsequent Convocation may rule to the contrary."

Mr. Holmes then moved that the resolution be accepted. The motion was seconded and passed.

The Rev. Dallis Harris then moved the following resolution of thanks to Mr. Fred Emery for his work in the preparation of the resolution just presented.

"WHEREAS, the Commission on Diocesan Status and Expansion, was anxious to secure the best possible analysis of population trends and developments in Arizona, and

,'WHEREAS, the Honorable Fred Emery, former Mayor of Tucson, is a member of that Commission, and

"WHEREAS, he has produced for the guidance of the Commission, a most thorough and exhaustive analysis of this subject for reference use,

"NOW, BE IT RESOLVED, That this Special Convocation assembled at Trinity Cathedral, Phoenix, express its sincere gratitude to this busy layman for the efficiency and generosity of this accomplishment."

The resolution was passed unanimously and the acting secretary was instructed to send a copy of the resolution to Mr. Emery.

The Bishop then spoke in favor of seeking Diocesan Status, stating that it was our Christian responsibility to seek self-support in order to free the money we are now receiving for use in areas of greater need.

The Rev. Charles Crawford then read an analysis of the conditions necessary to achieve diocesan status.

The Chair then introduced Mr. Rick C. Dennis, who, acting as financial counsel, began his presentation of "HOW, to achieve Diocesan Status and Expansion."

Mr. Dennis outlined the advantages as being:

1. Self-sufficiency (Independence)
2. Leading from strength of missionary expansion, rather than weakness, also, greater possibility of preventing a clergy shortage
3. Increased representation at General Convention (8 instead of 2)
4. Continuity of Episcopate (Diocesan Bishops cannot be transferred)

The general campaign plan, Mr. Dennis stated, would be a step by step buildup through the gaining of the intense interest of a small group first, who would go out to interest others. This he feels would create a strong interest that would not only meet the needs of the drive but would leave the Church in Arizona stronger, due to a greater committment on the part of a greater number of people.

The general financial plan presented by Mr. Dennis would exclude congregational quotas as he feels that such are not only unfair to certain congregations but also do not truly explore the potential that might previously be unseen in others.

Following Noonday Prayers the Chair again recognized Mr. Dennis for the continuation of his presentation. He outlined the conditions and results in other areas of the Episcopal Church in which his organization has worked, specfically: North Texas, Milwaukee, and Kansas. He broke each area down into Congregations, Family Units, Goal, Amount Raised in Pledges, and Amount Raised While Campaign was in Progress in that Area. He then compared this to the potential in Arizona. This he followed by listing the internal conditions that existed in many of the congregations of the other dioceses, showing that there were great local needs at the time of the other drives but that the diocesan drives were still successful.

Speaking directly about Arizona, Mr. Dennis then stated that since 1950 Arizona has been second only to Nevada in population growth with a 24.1% population increase since 1950. This he stated has been accompanied by an increase of 47.2% in the income of Arizonans since 1950.

Mr. Dennis then stated again that generally speaking there will never be a time in Arizona or in any other diocese or district when every congregation is ready for such a campaign as he is presenting. This he followed by stating that although the per capita wealth of the Episcopal Church ranks near the top for all churches the per capita giving is only $43.43, which is down somewhere near 17th. He stated that this is most probably due to the failure of the Church to teach people their rseponsibility as Christians, adding that a drive such as this should help to awake them to their responsibility.

Mr. Dennis then turned to the actual organization of such a drive, stating that it would be carried out over a 24 week period. That the cost in salaries for the drive would be $18,000.00 and that in addition to this amount the campaign cost would be somewhere between $4,500.00 and $7,500.00, depending on the amount of printing that was done. The manpower would be volunteer, with the state broken up into campaign areas with a chairman for each.

The Convocation then recessed for lunch.

The Special Convocation reconvened at 2:00 P.M. and the Chair recognized the Rev. David Jones who presented the report of the Committee on Credentials.

The Chair then recognized the Rev. Dallis Harris who read the following Special Resolution of Congratulations and Thanks to the Very Rev. Jim Carman.

"WHEREAS, the Very Rev. James W. F. Carman has been elected Bishop Coadjutor of Oregon, and has indicated his interest in accepting that call, and,

"WHEREAS, the Rev. Doctor Carman has been a most valuable asset to the Missionary District of Arizona in many phases of its work.

"THEREFORE, BE IT RESOLVED that we, the Special Convocation, convened at Trinity Cathedral, Phoenix, Arizona, October 26, 1955, communicate to Dean Carman our sincere congratulations upon his election to the office of Bishop, our deep regrets in having him leave Arizona, our best wishes for him in his new calling, and the assurance that our prayers go with him."

The resolution was passed unanimously and Mrs. Carman was asked to convey this message to her husband:

The Chair then recognized the Rev. George Ferguson, who moved a resolution that the drive be delayed for one year.

This resolution failed to pass.

The Chair then recognized Mr. George Goodale who moved the acceptance of the following motion.

"Mr. Chairman—I move: that the Special Convocation of October 26, 1955, approve and inaugurate a Capital Funds Drive, the minimum goal of which being $500,000.00, for the purpose of achieving Diocesan Status. Said drive to be conducted by Mr. R. C. Dennis, and to commence in the forepart of the year 1956."

The motion was seconded by the Rev. David Trimble.

The Rev. Mr. Crawford then moved and there was seconded the following amendment to the above motion.

"that $300,000.00 of the money raised to be allocated for Diocesan Status and the balance to be allocated to Missionary Expansion, the disposition of which be entrusted to the Department of Missions and Expansion, with the advice and consent of the Bishop, until such time as a subsequent Convocation may rule to the contrary."

The Amendment to the motion was called to a vote and passed.

The Motion for the Drive was then called to a vote and passed.

The Chair then recognized Mr. Clore who moved that the 2% and 5% tax for missionary expansion be cancelled for next year.

The motion was seconded and passed.

It was then moved that the Special Convocation be adjourned.

The motion was seconded and passed the vote.

Respectfully submitted,

The Rev. Wm. A. Pottenger, Jr.,
Acting Secretary of Convocation

Report of the Committee on Diocesan Status

January 25, 1956.

The committee held its first meeting on February 3, 1955 and outlined the information which would be needed in order to arrive at a proper conclusion. At the second meeting on March 15, a plan was suggested for increasing assessments so that financial assistance from National Headquarters would be unnecessary. Another plan was outlined for achieving the same result by means of an endowment. A third plan was offered, based on a fund which would be made available for church expansion. There was full discussion of these plans and of the resources of the District at these meetings. Further information appeared to be desired and a third meeting was set for May 3.

At the meeting of May 3, all of the information which had been assembled was reviewed. The following recommendations, some of which may appear to have little connection with Diocesan Status, but which are really very pertinent, were adopted.

1. That the Bishop be encouraged to obtain funds for the establishment of new missions and churches in keeping with a study of the growth of Arizona.

2. That the laity be strongly reminded and urged to remember the church and Protestant Episcopal Corporation of Arizona in their wills and insurance policies.

3. That the Finance Department make an appraisal of all missions with a view to discovering their potential opportunities for independence and development and to initiate whatever steps are necessary to achieve the same.

4. That a special session of Convocation be called in Phoenix at the Cathedral on October 19, 1955, for the sole purpose of considering the following:

   a. Anticipated population growth of the state of Arizona.
   b. Future opportunities of the Episcopal Church in our state.
   c. The methods which the Convocation should authorize to acquire property, erect buildings, and to finance the employment of additional clergy as needed.
   d. That Diocesan Status shall be sought by opening of new churches and the consequent increase of income to the Episcopate from them, rather than by the method of increasing present assessments.

The data collected by the committee and their recommendations were considered so important by the Bishop that his vacation plans were cancelled in order to study them and formulate a plan for action. This plan with his analysis of the problem was presented to a final meeting of the committee on September 23. The Bishop also presented Mr. R. C. Dennis who outlined his experience in fund raising in similar circumstances.

Following a free discussion of the plan, the following resolution was passed;

WHEREAS we are a committee appointed by the Bishop at the direction of the annual Convocation held in Prescott, Arizona on February 16-17, 1955, to explore the possibilities of Diocesan Status for Arizona; and

WHEREAS we have met regularly since that Convocation and explored all avenues open to us;

THEREFORE BE IT RESOLVED that the special Convocation of October 26, 1955 be urged to approve a capital funds drive, directed by Mr. R. C. Dennis, the minimum goal of which is to be$500,000, $300,000 to be allocated for Diocesan Status and the balance to be allocated to Missionary Expension, the disposition of which be intrusted to the Department of Missions and Expansion, with the advice and consent of the Bishop, until such time as a subsequent Convocation may rule to the contrary.

In accordance with this resolution a special Convocation was held on October 26, 1955, at which time the plan outlined was approved.

Your chairman wishes to express his appreciation of the excellent attendance at all the meetings and the sincere cooperation of both the clerical and lay members of the committee. He also wishes to recommend to the Bishop that a subcommittee of the Department of Missions and Expansion be formed for the purpose of studying the growth of Episcopal population in the state, the most favorable sites for new churches, and the probable date when new churches should be provided. Such a study would be invaluable to the Department, to parishes planning to expand and in connection with the administration of the endowment fund.

Respectfully submitted,

H. A. Holmes, Chairman.

ORDINATIONS

During the past year, the Rev. Mac Reynolds Stanley was ordained both to the Diaconate and to the Priesthood and assigned to the Mission Field of Florence, Coolidge, and Hayden.

Also, acting for the Bishop of California, I ordained to the Diaconate my son, the Rev. Charles Lester Kinsolving who has also since been ordained to the Priesthood when I was privileged to preach the Ordination sermon. He is assigned to two Missions that he founded in California.

CONFIMATIONS

Due to the indefatigable work of our clergy, it was my privilege to confirm 920 persons during the calendar year of 1955. We are still hoping, I am sure, that we will reach the 1,000 mark in a short time. May God give us all the strength to win these added souls to the Church.

INDIAN MISSIONS

Good Shepherd Mission to the Navajo, Fort Defiance, with the Rev. Davis Given as Superintendent, Mr. John Howell as Business Manager, and devoted National Council appointees, has the best administration and staff that I have known in ten

years. The Superintendent has ministered doggedly and alone for months while trying to find an Assistant Minister for the ever-expanding work. We are most happy that the Rev. John Davis,—a native of California—at present Assistant at All Saints Church, Phoenix, will join the staff on April 1st next.

The New Chapel and Rectory—the gift of the Arthur Vyning Davis Foundation through the Episcopal Church Foundation, has been a great milestone in the sixty-year-old history of the Mission. Its Consecration on July 10th, with the Bishop of Utah, the Co-adjutor of New Mexico and Southwest Texas, the Director of the Home Department, the Rev. Dr. Vine Deloria, and many guests and officials of the Bureau of Indian Service present, was an inspiring, heartlifting Service.

There was a congregation of over 400 people which included 30 Confirmands who were confirmed by the three Bishops present at the conclusion of the Service of Consecration.

The problem of support of the Mission is ever-present, as it extends far beyond appropriations and Government reimbursement for child care. Friends of the Mission and of the Navajo people are still generous and, with constant effort, we hope the Budget can be balanced.

St. Andrew's Mission to the Havasupai, Supai, the first air-borne Church in history, has been a witness for Christ among these uttermost Indian people under the gallant and devoted ministrations of Miss Laetitia Viele. She is due for retirement and a well-earned rest but her term of service has ben extended in the face of many uncertainties in that Mission. The policies of the Government's United States Indian Service are in a transition period, and we await the development there. In spite of these uncertainties, Miss Viele has continued her spiritual and physical ministrations to the needy, the sick, and every type of person and problem where her help could be given. When her retirement comes, there is no one in our Church who will deserve better the very personal accolade of Our Lord and Master, "inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

The Rev. Dallis Lee Harris of Flagstaff is now Supervisor of this Mission, visits it frequently, and has taken a group of college students to the Mission for conferences yearly.

THE SPANISH MISSIONS

The Spanish Missions are both situated in Phoenix and are both being ministered to by one clergyman, the Rev. Walter Dugan. The Spanish-speaking members of our population are somewhat transient. When work is available some go to other parts of the state, and some to California. But many of them return to their homes here. These factors make an uncertain congregation. We minister to these Missions in many, many ways, to help, without pauperizing, and to meet the many problems that they face. The Community Chest Red Feather Settlement, known as the Golden Gate Settlement at Buen Samaritano Mission, is a constant help in reducing juvenile delinquency in that area, as is also the Clinic conducted by a group of osteopathic doctors once a week held in the building of that Mission. Mrs. Francis Sullivan is Director of the Settlement work, assisted by Mrs. Adele Beavers. The Rev. Mr. Dugan is most ably assisted by his wife at San Pablo Mission with a growing congregation there. The valuable assistance at San Pablo of Mr. and Mrs. George Geli gives likewise needed help in this field.

The following review must be brief but is only an illustration that we are all missionaries. We cite them alphabetically, starting with our parishes and their outlying missions.

St. John's, Bisbee, and historic **St. Paul's, Tombstone,** without a rector for seven months, both congregations ministered to by Lay Readers from the military personnel at Fort Huachuca. They have now called the Rev. John R. Hughes to be rector and vicar. They have held together splendidly under difficult circumstances.

St. Stephen's, Douglas, has been blessed by two great ministries in succession, one of 22 years, and the present rector has been there 14 years. The Rev. Ray Kurtz and his people are a unit of self-sufficient loyalty.

Epiphany, Flagstaff, is giving a splendid account of itself as a parish with improved equipment and a witness on the campus of the Arizona State College, there with the happy leadership of the Rev. Dallis Lee Harris.

St. John's, Globe, has expanded in their Sunday School and must expand again. The Rev. Charles Leel overcame a serious illness and has come back strongly with his loyal group.

St. Mark's Mesa, relinquishing this month the long services of the lovable rector, the Rev. David Jones, who goes into retirement with the affection of all concerned. Dr. Claude Clayton Boydston will succeed him. Coming from the Presbyterian Church into our ministry, he brings exceptional talents to our ranks.

St. Andrew's, Nogales, continues a steady growth from the energetic ministrations of the Rev. Dr. Walter P. Crossman who challenged a struggling Mission into becoming a parish within a month or two of his arrival.

All Saints, Phoenix, bursting at the seams, both as to Sunday School and congregation, just must expand. They expanded their Sunday School equipment, only to find that they have not enough room for their congregation. They are driving for a new Church and striving sincerely to be loyal to the District aspirations at the same time. The Rev. Messrs. Urbano and Davis are a team that have gone forward in that fellowship.

Trniity Cathedral, Phoenix, led every Church in the country in the percentages of increase during the past year, in spite of a vacancy on its staff. In addition to this splendid achievement, they have now furnished the Diocese of Oregon with a Bishop, consecrated yesterday. The Very Rev. Thomas M. W. Yerxa, now Dean of the Cathedral Church of St. John in Wilmington, Delaware, has accepted the nomination of the Bishop and the call of the Vestry to become Dean to succeed Dean Carman. A Texan by birth, his wide experience in several parishes and his training as a Dean in Delaware, give evidence of a splendid gift for the leadership in our Cathedral, and its vivid and loyal congregation.

St. Luke's, Prescott, enlarged its Church last year, with the expectation of paying off the debt for this effort in five or more years. Every penny of debt has now been liquidated and the papers in connection therewith, burned. The Rev. David C. Trimble has sent the Bishop his annual, perennial offer to go anywhere in the District on any kind of work, and the Bishop has answered as usual that his life would not be worth much in Prescott which he must pass through, if he took the rector at his word.

Grace Church, Tucson, with a vigorous Assistant to help the Rev. Jerry Wallace, in a newcomer, the Rev. Howard W. Blackburn, continues to hold 6 Services in two different sets of Church buildings, and is now bulding an undercroft for a new Church in order to house the growing Sunday School.

St. Philip's, Tucson, with its Mission Church of **St. Michael & All Angels,** has made both Churches symbols of the beauty of Holiness. The parochial day school at St. Philip's, and the fantastic membership growth of St. Michael & All Angels has led the joint organization to press forward towards a tremendous and dramatic objective of paying their bills and sharing in the Diocesan Status Fund Drive, and extending to a new Mission. The Rev. Messrs. Ferguson and Fowler were joined this year by the Rev. William W. Arbuckle, D.D.

No congregation in the District deserves more credit for courage than **St. Paul's, Winslow.** There, the Vestry, with the Rev. Norval W. Holland, faced the loss of many of their congregation, some of whom were the most stable members of many years' standing. No one can be held responsible for people having to move, but it doesn't make it easy. This gallant group met their parish obligations to the full, and we should know what that gesture meant.

St. Paul's, Yuma, under the leadership of the Rev. Charles H. Crawford, is another wonderful story of increasing Christian enthusiasm. It is always necessary to make two Visitations a year to this congregation. And last year, the Rector presented 70 people for Confirmation. Now they face a very serious problem of expansion, or moving, to try to meet the population trend and the increase in their numbers. There is a phenomenal spirit in the congregation, including a very dynamic, youth program.

We now acclaim the baby parish of our Jurisdiction, **St. Barnabas on the Desert, Scottsdale.** This congregation, at the very outset, accepted $300.00 help to get started. They paid this back in three months, and this all began just two years ago last October. The Rev. Paul L. West, sometime Vicar, is now the Rector of this 14th parish in Arizona. The generous gift by Mr. and Mrs. Fowler McCormick of a large lot in the center of Scottsdale with two buildings on it, where a temporary Quonset Chapel has housed the congregation, has brought into being an organization of great activity.

I have just received the instrument that I hold in my hand. It is a canonical request from **St. Paul's Mission, 31st Street and Thomas Road, Phoenix,** for parochial status. It is signed by the required ten male communicants of that congregation. They are self-sustaining as of January 1st. There is no date on this instrument. But, nevertheless, I hereby declare that this petition will be submitted to the Council of Advice for immediate action, and if favorably acted upon, will bring us to fifteen parishes in this Jurisdiction.

Again, I must add that **St. Michael's, Coolidge,** begun two years ago, completed a new Church building dedicated on their own property last July, and, with a tremendously successful Every Member Canvass, are looking forward to parish status in the near future. This progress ought to give us courage and determination.

And here come our Missions. The Rev. Francis M. Hamilton has named as "The Desert Circuit"—**Holy Cross, Ajo, St. Peter's, Casa Grande,** and by his own interest

and efforts, has reactivated **St. Matthew's at Chandler,** where he has found and gathered together 70 souls, with as many at Ajo, and a loyal, growing Church group at St. Peter's, Casa Grande, and now Gila Bend.

The **Chapel of the Good Shepherd of the Hills, Cavecreek,** now has the part-time services of the Rev. William B. Van Wyck who is recovering from a long period of illness and has taken over the supervision of this Mission. 8 Confirmands last Sunday.

St. Thomas', Clarkdale, has grown ever stronger under the beneficent pastorship of the Rev. Bob Webster who loves everybody, and everybody seems to love him.

We have already mentioned the aspirations of **St. Michael's, Coolidge.** They worshipped until last summer at **Christ Church, Florence.** Both of these congregations share the devoted, missionary services of the Rev. Mac R. Stanley, together with **St. Clements, Hayden.** In every Service, there has been evident a forward spirit here and the Rev. Mr. Stanley and his talented wife started a Kindergarten Day School at Christ Church, Florence, to the delight of that community.

The beautiful, little Church of **St. George's, Holbrook,** has literally struggled, with not many members, to carry out their share of the support of a resident minister. They have overcome the difficulties this year with splendid resolution and energy. The Rev. Henry J. McGehee and his wife have shown every devotion to that Mission in a growing and most apealing community on Route 66, the highway of America.

The people of **Trinity Church, Kingman,** reflect the indomitable spirit of a truly great missionary, the Rev. Edward L. Freeland, and, no less, his well-beloved sister. The son of a former Vicar, Mr. George Witt, is Warden, and the congregation continues resolutely.

The **Church of Our Saviour, McNary,** with the Rev. George J. Smith in charge, has accomplished great things, with the cooperation of the Southwest Lumber Mills Corporation.

St. James', Morenci, and **All Saints', Safford,** have been ministered to in the last several years by the Rev. John W. Donaldson, who came to us from Canada. In addition to this, he has ministered to Fort Grant and the boys there, with great satisfaction to all concerned. A most devoted group in Safford built a most attractive and useful parish hall in the back of All Saints Church, and to the delight of all, from the Forward-in-Faith Fund, the Cathedral has forwarded to them $1500 which helped liquidate the debt on this building. The Rev. Mr. Donaldson has accepted a call to a Church in California, and we say farewell to him with sincere regret and every good wish for his successful service in the Master's Name throughout his future career.

St. Andrew's Mission in **Phoenix,** with very little equipment, is where some of our devoted laymen and lay women have labored for many, many years. The Rev. George P. Sampson, Jr., and his able wife, are giving this Mission their sincere ministrations, and improving the situation with their work and devotion.

St. Peter's, Superior, is an example of the devotion of both a retired minister and the St. Andrew's Brotherhood and lay readers. The Rev. George Wharton makes monthly journeys to this Church, and the Services are conducted every Sunday by Mr. John Lauer and other devoted lay readers of the St. Andrew's Brotherhood, and we are grateful for their splendid, volunteer cooperation.

At **Tempe, St. Augustine's congregation** has acquired a very strategic lot with adequate room, and, also, drawings and elevations by a competent architect, on the strength of which the congregation put in, with volunteer work and equipment, the foundations of the first unit of their plant,—a parish house. For two years, we have prayed and begged for a grant of $25,000 from the United Thank Offering of the Woman's Auxiliary to the National Church. And this check came through to the District Office two weeks ago. The new building goes forward. May God bless the U.T.O. and the work thus aided under the energy and devoted service of the Rev. Bill Pottenger.

The people of **St. Andrew's Church, Tucson,** struggling for many years with limited equipment, are now raising the funds to complete the Church building which needs only three walls and a roof. They now worship in a parish house. With this added equipment, they should double their membership and strength. The Rev. Lewis Sasse gives his leadership to this work, as well as ministrations to the Episcopal personnel at the Davis-Monthan Airforce Base.

St. Paul's Memorial Chapel and the Episcopal Student Center at Tucson have been progressing steadily, with a growing congregation and increasing effectiveness among the students under the vicar and chaplain, the Rev. Thomas Bogard. We have suddenly faced a problem there, as the University of Arizona must expand in the direction which must absorb the property on which our plant stands. A capable Committee has been formed to take care of this situation, and the University, from the President down, is trying to handle the necessary moving and reimbursement for the property in the fairest possible way. With energy and forsight, the Bishop's Com-

mittee and Board of the Center, have already begun the payments on the purchase of a new lot in a strategic area near the University that will not be subject to future condemnation proceedings.

Finally, we come to **St. John's, Williams,** and the congregation of **St. Christopher's at the Grand Canyon.** The Vicar, the Rev. Daniel Matson, was forced to resign last summer on account of health, and since that time, the Rev. Dallis Harris has taken over the supervision of these missions. We are in the process of bringing a new Vicar to this beautiful, little Church which some of you remember, was an interior transported from Jerome when that town became a ghost town, and our Church in Williams was built around this equipment. It is beautiful, and now a new Rectory has been built and is ready for occupancy. May God give us a Vicar.

INSTITUTIONS

The Arizona Church Conference Center has only changed by virtue of improvement, due to the gifts of generous donors and the splendid care given by Mr. William Sweet, caretaker of the grounds. We still have enough different Churches renting the grounds for summer conferences to take care of the depreciation and repair of the property.

St. Luke's Hospital, Phoenix, has passed through a terrific crisis, having suddenly lost some sixty County patients, and, due to the transition from a tubercular to a general hospital for cardio-respitory maladies, the case load was not high. The Board of Trustees faced a most serious crisis, again, through the tragic illness of Mr. Carroll Phelps who had given a decade of his life to the administration of this hospital and its expansion in the new building program. His great heart gave out under the strain, he being a former patient of St. Luke's, himself. He is still able to do a period of work a day in the Hospital. During the interim, an Acting Superintendent administered until he was compelled to resign on account of health. The Board is particularly happy to have as Administrator now, Mr. Walter J. Montignani, who had ten years' experience in the great hospitals in New York, previous to four years at the County Hospital in Yuma. The happiest kind of reports were reported at the last Board Meeting. St. Luke's has ridden out a rather terrific storm.

St. Luke's in the Desert, Tucson, continues to function with great efficiency with the wonderful support of a Board of Visitors, but with an increasingly tense problem of finding patients to fill the wards. Happily, tuberculosis is on the decline. Every effort is being made by a committee to find ways in which to meet this situation by possible diversification.

ARMED FORCES WORK

Armed Forces Installations are being administered to by the Rev. Lewis Sasse at Davis-Monthan Field near Tucson; by the rector and two lay readers from Bisbee who visit and look after our members in Fort Huachuca; by the Rev. David Jones and now Dr. Claude Boydston who holds the rank of Reserve Corps Major in the Chaplains Corps of the United States Army who is in charge of Williams Field; the Rev. Mr. Gallagher is in charge of ministrations at Luke Field.

WOMAN'S AUXILIARY

Led by Mrs. Eugene Cecil Seaman, the Woman's Auxiliary has taken an increasingly vital part in the life of our Church in Arizona. Through generosity and sacrifice and help from several people, we were able to send a full delegation of the Woman's Auxiliary to the General Convention in Honolulu. The representatives have brought back the idealism and enthusiasm of the corporate outpouring of missionary spirit on that occasion. They have offered a new departure in our Convocation which should enrich its worship by asking to have a formal Ingathering at the Service of Holy Communion tomorrow morning at 7:15, in exactly the same way and form that they make this Ingathering at the Triennial Convention. We welcome this devotional emphasis on the magnificent fund which the women of the Church have brought into being for the missionary cause. There are six women maintained by the U.T.O. for Arizona.

LAYMEN'S WORK

Mr. Stephen Shadegg, as well as being Senior Warden at the Cathedral, has done a tremendous work throughout the District to reach the manpower that certainly is latent in many parts of Arizona. His writings have been published throughout the Church. He has been asked to head the whole laymen's work division of the Province of the Pacific, and now goes forward with his many responsibilities. Only second to this work is the devotion of our lay deputy to the General Convention, Mr. George Goodale of St. Paul's Church, Yuma, who brought back the message and enthusiasm from Honolulu.

One cannot help but feel the power of the lay-man which we believe is going to be expressed in the Drive for Diocesan Status and Expansion which will be dealt with later in this message. This is a man's job, and God helping us, we believe the men are going to respond.

THE MINISTRY

The Ordination on March 4th next of Dr. Claude C. Boydston to the Diaconate at St. Mark's, Mesa, has already been mentioned. I am happy to add that the Rev. Dr. Massey Shepherd of the Church Divinity School of the Pacific will preach the Ordination Sermon.

Mr. John Becker will graduate from the Church Divinity School of the Pacific this June. Messrs. Dan Gerrard and Reginald Rodriguez should be ready for Ordination there in June, 1957. Mr. Zeno Johnson will graduate in 1957 from the Episcopal Theological School, Cambridge, Massachusetts. Mr. William Martini and Mr. James Titcomb should be ready in 1958, and a Postulant, Ernest Leyba, in 1959. We are producing our own clergy, but not yet enough. Let us seek for leadership, my brethren, and ask our parents to "Give us their sons to bear the message glorious."

DIOCESAN AND EXPANSION FUND CAMPAIGN

And now for the challenge of this hour. May I bespeak the power of a "Pauline" Parenthesis. In that famous letter I hope we have read many times written to St. Paul's Church, Corinth, it calls attention to the challenge of the present: "Behold **now** is the accepted time; behold, **now** is the Day of Salvation."

Ninety-six years ago, in 1859, your Church appointed and subsidized the salary of a Bishop over this area, now known as Arizona. The first object of this action is the first objective today,—to win new souls to Christ, and to shepherd those already here. This, we are trying to do with the help of the Holy Spirit. But, there was a second objective always in the minds of the generous National Church. And that was, that in due time,—in an **accepted** time,—the Church in this area should be self-sustaining. That is the accepted ideal of every missionary project. It is unnecessary here to point out the development of this land. It is only essential to face honestly the fact that with fifteen thousand souls, ten thousand communicants, fifteen self-supporting parishes, there are those among you who are daring to say with me, "Now is the accepted time' to struggle for self-sustaining independence as a Jurisdiction.

The Motto of this State, we have adopted on our own escutcheon, "Ditat Dues" means "God enriches". But does it mean that you and I or anyone else could possibly accomplish anything if we sat by meekly and inactively to await God's action to bring out the riches of this area? God has enriched this area. But the greatest gift has been in the sublime energy, courage, vision, and inventiveness of pioneers. The only way His Church will ever be enriched is by the same sort of courage, with a lot of Christian sacrifice thrown in. God enriches His Church when His followers put the Cross in the center of their lives, and make the necessary sacrifice. God enriches people with money, the medium of exchange, and only curses them when they put the love of money above everything else. We must have this medium of exchange to carry on our expenses which the rest of the Church has been carrying for 96 years. Believe me, it does seem that this must be an "ACCEPTED TIME" for answering a century of faith of the National Church and saying to them, "God bless your generosity. You planted the flag here, and you've helped keep it flying. Now, we'll hold it up on our own." We can do it in four years and then make a centennial gift of self-support to the Church which has believed in us.

Briefly and practically, we are now subsidized to the amount of about $24,000 a year. Of this amount, some goes for the partial payment of missionary salaries and the travel of missionary clergy in those congregations that are not able to support themselves entirely. The larger part of this appropriation is for the administrative expense of the Bishop, his office and staff. The National Church will not grant Diocesan Status without a permanent source of revenue to maintain this Episcopal administration, especially as a guaranty in times of local or national stringency. To guarantee the maintenance of a Diocesan and Expansion Church program, and to meet these obligations, a minimum capital fund of $500,000 will be needed. This then is our Campaign Objective. The investment income of a portion of this fund will be used to meet the operating expenses of the administration; the balance will be for Church Expansion and better missionary salaries.

Thus, we have set an objective of $500,000. The details of this Campaign will be given your representatives at the first campaign meeting of the Committee at dinner tomorrow night. Bishop Quarterman, our guest, will tell us of the spiritual significance of his experience in the Missionary District of North Texas at the Joint Session. I say to you, in the deepest earnestness, this can only be accomplished by prayer and fasting, which means sacrifice.

Turning again to St. Paul, who never stopped planning for sustaining congregations and areas, and never stopped being a missionary for expansion, wrote to the Romans:

> We, though many, are one body in Christ,
> and individually members one of another.
> Having gifts that differ according to the
> grace given us, let us use them: he who
> contributes, in liberality; he who gives aid,
> with zeal; he who does acts of mercy, with cheerfulness."
>
> Romans 12:5-8

Please pray for this effort and use this or some definite prayer for this Challenge. Let us pray:

Prayer for Diocesan Status and Expansion

O God, Heavenly Father, who gave Thine only Son to save and redeem us, by the power of Thy Holy Spirit, grant Thy Church in Arizona, the will to give back more of ourselves to Thee.

Grant that we may become self-sustaining, and thus win more souls to Christ.

Grant that we may thus justify a century of Faith and Generosity on the part of the National Church, and our many friends through the years.

And finally, grant that in our giving each member of the Church may try to measure the Love and Sacrifice of Thy Son, Jesus Christ, Our Lord.

Amen.

DISTRICT FINANCE OFFICE

Annual Report—1955

Three congregations were unable to make their final payments on Quota and Assessment before our books were closed for 1955. However, payment from two of these was later received, thus enabling us to report both the Quota and Assessment as being paid in full with the exception of one mission.

There was a balance of $890.64 in the Quota and $383.72 in the Assessment at the close of business for 1955. Recommendation for disposition of the same will be presented to you by the Department of Finance.

It has been the practice of some congregations in this District to apply the amount of their children's Lenten Mite Box Offerings as part of their Quota. By action of the General Convention, this is no longer permissible. The Lenten Mite Box Offerings of your church school children must be sent to the District Office for transmittal to National Council in addition to your Quota.

You are reminded that annual payments on the National Council Emergency loans are due on February 1st. We urge all who have not sent their payments to the District Office to please do so at their earliest convenience in order that our payment to National Council may be made on time.

We were happily able to pay our full share in the Builders for Christ campaign before General Convention, although, it necessitated overdrawing the account to do so. However, delinquent payments were later received which cleared up the deficit. We are grateful to those congregations making payments over and above their apportionments in this fund. These provided the District with an additional amount to be sent to National Council as an expression of our gratitude for the grants which have been received. The final statement of this fund will appear in the Journal.

Despite repeated reminders by the District Office that pension assessments be kept paid currently, every monthly report from The Church Pension Fund during the past year listed a number of clergy whose premiums were in arrears. Not only is interest charged on overdue premiums, but the pension status of every clergyman in this District is jeopardized by such delinquencies.

You are especially requested to make checks payable to the Missionary District of Arizona for all special offerings, such as, Advent Offering (designated for Good Shepherd Mission), Theological Education, Good Friday, etc. In this way, an accurate account of our support of these offerings will be reflected in the District records. Sending contributions direct or making checks payable to the divinity school or other institution for which it is intended forbids the District's keeping accurate records of these gifts.

We continue to handle an automobile fleet policy for the benefit and convenience of the clergy and lay employees of the District which permits breaking down the annual premiums into from three to six monthly installments rather than paying it in one lump sum.

Early in December a revised budget for 1956, incorporating the changes recommended at the Clergy Conference, was mailed to all the clergy. However, with considerable trepidation the undersigned reports that the agreed 10 cents per communicant for the Arizona Church Record was not included in the figures given in the Distribution by Congregations for the Assessment. The correct total appears there but the list does not add up to that figure. All other financial schedules mailed you at that time were correct and are identical with those to be distribued at this meeting. Of necessity, the figures in the Distributions by Congregations for the Assessment have been changed. It is sincerely hoped this will not seriously upset your budgets.

Deep appreciation is expressed to the clergy and treasurers for their cooperation with the Finance Office in all endeavors. Your continued support can make it a truly helpful and effective unit.

Respectfully submitted,

Rosebud Rudolph
(Mrs. Raymond Rudolph),
Financial Secretary.

REPORT OF THE DEPARTMENT OF CHRISTIAN EDUCATION

1. Two meetings were held since Convocation, 1955. Also Conferences with the Clergy of the District, with the Maricopa Clericus, and with Clergy and Teachers at the Summer Conference.
2. The Conference and Discussions led by Dr. H. N. Tinker, from the National Dept., at Prescott for a full week were most valuable to teachers and parents.
3. Your Chairman was unable to attend the Provincial Dept. meeting at San Francisco January 17-18, owing to lack of assistance at the Cathedral. No report of the findings of the Conference has been received.
4. Parish Life Conferences were held by the parishes included in the Maricopa Clericus, also by Trinity Cathedral; All Saints, Phoenix, and San Pablo, Phoenix. These occasions were particularly productive of trained leaders.
5. Dr. Neville Tinker conducted a 10 hour seminar for the clergy of the District in October, based on the approach, and method, and purpose of the Seabury Teaching Series.
6. Parents classes are operating in 2 parishes, meeting weekly or twice a month.
7. The Youth Summer Conference is set for Prescott for June 10-17, and the Family Conference June 17-24. Miss Beth Young is coming to address the young mothers and to assist in the youth work.
8. The Department again reminds you that to carry out a sound Christian Education program, a congregation must be redemptively alive, responsive to the valuable results of experience and training, and alert to new opportunities.

All of which is respectfullly submitted,

OTTO GALLAGHER

REPORT OF THE BOADR OF EXAMINING CHAPLAINS MISSIONARY DISTRICT OF ARIZONA

In 1955 the Board of Examining Chaplains gave the canonical examinations for both Deacon's and Priest's orders to Mr. Mac R. Stanley, and found him satisfactory. It gave its consent, at the request of the Bishop, for the Rev. Claude C. Boydston to be examined at the Church Divinity School of the Pacific where he was a student.

Respectfully,

JERRY WALLACE, Chairman
Board of Examining Chaplains.

REPORT OF THE DEPARTMENT OF YOUTH FOR 1955

The Department of Youth held two meetings during the year. The high spots of our youth program on the District level are as follows:

The Y.P.F. District Convention was held at Grace Church, Tucson, over the Thanksgiving week-end. 78 young persons were present, a substantial decrease over past years, due to a conflict with other state-wide youth activities. Date of future Conventions may be set earlier in November. In spite of the lesser number of delegates, however, an excellent Convention was held. Those responsible for its success are to be commended.

The Bishop's Challenge: A sum of $800 was pledged by youth groups from 15 parishes and missions. One-fourth of this pledge is to be given toward the cost of a bus for Good Shepherd Mission at Fort Defiance. The balance is to be used for improving Camp Mitchell at the Conference Grounds in Prescott. During the past year the young people had lights installed for the play-area at the Conference grounds.

The young people had an amount of cash on hand, and used it to send their President, Gordon Alley, to the National Youth Convention held in August at Carleton College, Northfield, Minnesota.

Future projects include publication of a bi-monthly newsletter, to be mailed to all young people in the District thru Trinity Cathedral, Phoenix; and a "work and life" conference for young people from 18 to 25 years of age to be held at the Conference grounds in Prescott, Aug. 27 to Sept. 1.

Mention of the Summer Conference of Youth will be given in the Summer Conference Committee report. Suffice it her to say that it was excellent.

Youth officers are Gordon Alley, president; Stuart Ervy, vice president; Secretary, Beverly Birt; Treasurer, Carolyn Boyd. Clergy adviser is the Rev. William A. Pottenger, Jr. Lay adviser is Mr. William Fairfield Brown. Our hats are off to them for their splendid leadership.

Respectfully submitted,

CHARLES H. CRAWFORD, Chairman

REPORT OF THE SUMMER CONFERENCE COMMITTEE FOR 1955

The Summer Conference Committee met four times during the year. Its report is as follows:

Two Conferences were held at the Arizona Church Conference Centre in Prescott. The Youth Conference met June 12 to 19. There were 119 high school age campers, and 14 adults on the staff. Widespread support was had from the parishes and missions of the District. Income totaled $2238.93. Disbursements were $2122.45. Balance on hand is $116.48. The Dean of the Youth Conference, the Rev. Dallis Harris, and his staff are to be commended for a job well done.

The Family Conference met from June 19 to 26. A total of 183 people attended. However, of those present only 26 were adult campers; and only 17 of the parishes and missions of the District were represented. This is especially disheartening as the program of the Department of Christian Education of the National Council was so ably presented by the Rev. Neville H. Tinker. Financially, the loss from this Conference was $106.13, leaving a balance on hand of $68.41. But your Committee feels that the loss in Christian fellowship, education, and inspiration was much greater. The Dean of the Family Conference, the Rev. E. Otto Gallagher, and his staff did an excellent work. Their efforts merit better support throughout the District than they received.

Your Committee recommends that every parish and mission in this District of the Church promote these two Conferences by establishing scholarships and in other ways making it possible for some of their people to participate in these adventures in Christian communities.

The dates of the Youth Conference for 1956 are June 10 to 17; and for the Family Conference, June 17 to 24.

Respectfully submitted,

CHARLES H. CRAWFOD, Chairman.

REPORT TO CONVOCATION SECRETARY, REV. PAUL D. URBANO, FOR THE WORK OF THE COMMITTEE ON ARMED FORCES, 1955

Williams AFB, Chandler, Arizona. The Rev. David Jones has done an excellent job of pastoral ministration and integration of Base personnel into the work of his parish, Saint Mark's, Mesa. The Holy Communion is celebrated monthly on the Base, the hospital visited, children are baptized and prepared for confirmation, as well as young airmen. Church literature is distributed and marriages performed on occasion. Military personnel serve on Saint Mark's vestry, are in the Church School and are often invited into the homes of Church members living in Mesa.

The Phoenix Veterans Hospital is served by the Rev. E. O. Gallagher who made 43 visitations there the past year. On some of these, there were private administrations of the Holy Communion. This hard working clergyman also goes to

Luke Air Force Base, on a bi-monthly basis where the Holy Communion is also celebrated privately—at Luke the Chaplain is not permitted any other service at present, and lists of Episcopal personnel were refused. Personnel are invited to attend services at the Cathedral as well as confirmation instruction there. They have been entertained at Bishop Atwood House and by the "Men of Trinity."

Marana AFB, Marana, is served by Rev. Lewis Sasse. A cordial relationship is maintained between the Air Force Chaplain and visiting Episcopal Chaplain. Full cooperation has been given at all times to our work. The Base is a primary training school for future jet pilots, with three classes or more always in residence. The Chaplain (a Baptist) and many of the officer-pilots have been invited to dine out in Tucson many times. Student officers are invited to attend the Episcopal churches in Tucson. The Chaplain often refers marriage and other cases to the Episcopal Chaplain. The Holy Communion is celebrated at the Base Chapel. Visits are made on the flight line and elsewhere with student-officers. Personnel lists are furnished by the Base Chaplain.

Davis-Monthan AFB, also served by Rev. Lewis Sasse. Full cooperation from the Commanding General of the Division and from the Base Chaplain. Personnel lists of those of our faith furnished on request. Invited to preach in Base Chapel for special occasions, such as Palm Sunday, etc. On occasion, personnel furnished with hours of service in our six Tucson churches in the daily bulletin which reaches all principal installations. Personnel visited in their homes and on the Base. This is a SAC Base and has the special sense of mission inculcated into personnel of all SAC commands. Some personnel attend most of the Tucson churches Sundays.

Veterans Hospital, Tucson. At our request, names have been segregated denominationally by the new Hospital Chaplain. Our clergy may now find those of our faith easily. Rev. Lewis Sasse visits mainly in the psychiatric ward.

LEWIS SASSE, Chairman

COMMITTEE ON CHURCH ARCHITECTURE

The Committee on Church Architecture submitted its suggestions and approved the plans for the proposed church buildings at Tempe. It has attempted to assist in every way possible to inquiries submitted to it.

COMMITTEE ON CANONS OF THE MISSIONARY DISTRICT OF ARIZONA

REPORT OF THE COUNCIL OF ADVICE FOR 1955

May 16, 1955 Council met regarding the Arizona Church Conference Center, and the following action was taken:

1. Chancellor was requested to obtain a transcript of the deed to the center property and ascertain from it whether or not the Center is to be used exclusively on an interdenominational level, and then render a legal opinion.

2. Statements of operating costs and income for 1954 to be made available to members of the Council.

3. Title to Center to be retained by the Protestant Episcopal Church Corporation of Arizona.

4. If interdenominational board set up, it should be purely an advisory board.

5. Decided that ways should be sought for using the grounds by the Episcopal Church when other churches cease to use it.

June 20, 1955 Council recommended that Mr. Dan Gerrard be accepted as a candidate for Holy Orders.

July 19, 1955 Council granted petition of Mr. Dan Gerrard to be advanced to Candidacy for Holy Orders; also Mr. Zeno Johnson, III.

REPORT OF CHURCH SCHOOL BY MAIL
1955

"The Camp was a wonderful place . . . food was good . . . pines were pretty, and I loved the services where we learned about God and all good things. The games and hikes and the evenings' fun . . . our counsellors and teachers were patient and kind. I loved our nurse who was good to me, and my craft teacher who said he knew you. I want to thank you again for making it possible for me to have the most glorious vacation I have ever had'.

These were the happy words written by an isolated child at Congress of the Church School By Mail family to Deaconess Ward after her Christian experience at the 1955 Prescott Family Conference. It was truly a Christian kindness that was made possible by scholarships given by Trinity Cathedral Woman's Auxiliary and Trinity Guild.

The generous support given by the District Woman's Auxiliary, the Convocation Offering, Individual gifts, and the CSBM Family's offerings are appreciated.

The genuine interest in our work evidenced by the following has been of real value to us: Miss Elsa Myers of the Cathedral parish who has cut our stencils; Mrs. Walter Biddle, Cathedral Secretary, who has done our mimeographing; Mrs. Rosebud Rudolph, who is our Treasurer and Mrs. Carol Wallis who has so faithfully done much of the physical work for Deaconess Ward over the ten years she has directed the work.

Since Deaconess Ward has become more handicapped with arthritis she found it necessary to give up the directing of CSBM, Nov. 1, after ten years devoted service to this work, on the 20th anniversary of her consecration as a Deaconess and thirty years in church work. The Christmas greetings Deaconess received showed the CSBM families' love of their spiritual leader and her effectiveness in leading them to Our Lord and a joyous Christian life, even by mail.

Mrs. L. Ernest Moberg of the Cathedral parish was appointed by the Bishop to continue this work. She has had several years training in pastoral work and Christian eudcation, having been a church worker before her marriage. Both Mr. and Mrs. Moberg helped Deaconess Ward set up CSBM in 1945, and they are both working at that task together now. The Deaconess continues to give helpful advice and loving interest to the CSBM, since the Mobergs see her every Sunday and exchange views for the good of this important Mission.

We consider the work in terms of families. We have 30 families, and 54 children in 22 towns of Arizona. Several of our former families are now associated with the new missions being established in the District. It is encouraging to hear reports of the effect of the good training CSBM has given these people over the years in Christian education, and of their active, faithful and intelligent share of the work and life of the new Missions or Parishes to which our people have moved. To paraphrase . . . "They must increase, and we must decrease". Our isolated ranches and homes are outside of Flagstaff to Douglas, and from Sanders to Quartzite and Welton.

Bring an isolated family or child or those who are invalided, to Christ and the ministry of the church. The Dept. of Evangelism at the 1955 General Convention, urged each Communicant to seek actively to bring one soul to Christ this year. Perhaps you can bring one . . . even by mail . . . thru Church School By Mail.

Respectfully submitted,

(Mrs.) RUTH MOBERG,
Director, Arizona CSBM.

REPORT OF THE SECRETARY OF CONVOCATION
FEBRUARY, 1956

This year, after the usual battle with the clergy over their Parochial Reports, I determined to write a list of the delinquents and to read it on the floor.

St. Philip's-in-the-Hills in the "diocese" of Tucson was late, very late indeed. Holbrook, Cavecreek, Tempe and Prescott sent in no report.

Perhaps the reading of this list will not make me any friends. But on the other hand, they have not shown themselves friends to me, and if any kind of public scourging would compel the clergy to report on time, I should be glad to conduct it.

With the possible exception of the four I have not yet seen, the Parochial Reports were excellent this year. The financial sheets in particular were correctly filled in and accurately balanced. I am very grateful to you.

The statistics for 1955 are as follows:

BAPTISMS dropped off 6, from 895 to 889.

BAPTIZED MEMBERS IN CONGREGATION also dropped, from 15,796 to 15,726. These, however, were the only two categories that showed a loss; and it is quite possible that the drop in baptized members listed may mean that better Every Member Canvasses have cleaned up parish lists.

CONFIRMATIONS went from 881 up to 901 (we came within 10% of our goal of 1,000 confirmants).

COMMUNICANTS rose 1,241: from 8,404 to 9,645.

RECEIPTS were up $53,981.30: from $588,264.35 to $642,245.65.

And DISBURSEMENTS went way up ($190,712.77): from $471,824.32 to $662,537.09.

Perhaps the most encouraging statistic of all is a gain of 560 in Church School enrollment, which represents an advance of approximately 10%. The total Church School figure stands now at 5,780.

Respectfully submitted,

PAUL D. URBANO

REPORT OF CHRISTIAN SOCIAL RELATIONS DEPARTMENT 1955

The Christian Social Relations Department of the Episcopal Church in Arizona met at the Bishop's House on October 27, 1955, and adopted the following:

A Christian Philosophy of Social Work

We held to a belief in the dignity of the individual before God. Tolerance stems from Christian love, one for another. The Christianizing of our society depends, not on mere service to our fellow men, which can easily augment our inequalities and inflate our selfish egoes, but rather on a humble sharing, a service of humility. We must not only have but demonstrate a faith in the dignity and integrity of our fellow men, and recognize that we have this only because God through Christ upholds and sustains us. And so it is that we have as the objective the transforming our society in such directions that we and all people shall have the opportunity to live at the highest level that our own personalities are capable, not by being told what to do, nor how to live, but by being allowed to achieve through inner compulsions our own self-realization and responsibility. This requires a most humble approach on the part of all who do any type of social work, in or out of the Church: "he that exalteth himself shall be abased; he that humbleth himself shall be exalted". That means real Christian brotherhood, and the burial of Lady Bountiful. The Church must be increasingly the conscience or the stimulus to the conscience of the community, leading to the birth and growth of a definitely Christian social conscience, where in all humility we recognize that we are not our brother's keeper, but rather our brother's brother.

Program:

1. To cooperate in every way possible with the Migrant Ministry under the leadership of Mr. Koch.

2. To work for the passage of a law requiring three day waiting period before marriage, following the issuance of a marriage license. b. To work for a bill requiring a physical examination before marriage.

3. Help in solving the problem in each community related to the need for an overall service exchange, clearance or referral center for all cases of transients and other needy not taken care of by Public Welfare.

4. To cooperate with those agencies seeking solutions of the Problem of Alcoholism.

5. To help push the bill against discrimination in Public Accommodations.

   b. To help implement the Supreme Court decision to eliminate school segregation.

6. To work with Church World Service, the Presiding Bishop's Fund For World Relief, and other World Wide Work, such as relocating displaced persons and exchanging foreign and American students.

REPORT OF THE CHAPLAIN TO EPISCOPAL STUDENTS AT ARIZONA STATE COLLEGE, FLAGSTAFF, 1955

There are 53 Episcopal students enrolled in the college this year. 25 to 30 of them are in some way or another active in the life of Epiphany Parish. Some teach in the Church School, one is Superintendent of the Church School and a Lay Reader and pre-seminary student. There are usually 8 to 15 students present in the Sunday morning services of the Church. Our Church and Parish House are more than a mile off-campus.

Our Canterbury Club meets in the Parish House for supper each Sunday evening. Supper is followed by a religious discussion in which all take part. Usually 8 to 15 students are present on Sunday evening.

The chaplain had the pleasure of lecturing to six college classes during Religious Exploration Week early in the school year, and he was chosen as Baccalaureate speaker last spring. He has lectured to two classes on the subject of Christian Marriage.

Three students from the University of Arizona, seven from A.S.C., Tempe, and four from A.S.C., Flagstaff, attended the annual post-Easter Retreat at St. Andrew's Mission, Supai. The Episcopal Chaplain from A.S.C., Tempe, and the one from A.S.C., Flasgtaff, conducted the retreat.

Plans are in the making for a post-Easter Retreat at Good Shepherd Mission, Ft. Defiance, this year, and for a summer work program for students who want to devote all or part of their summer to conducting Daily Vacation Church Schools in Parishes and Missions throughout the District of Arizona. There will be a week of pre-summer training for this group, held at the A.C.C.C., Prescott.

DALLAS L. HARRIS, Chaplain.

TEMPE, ARIZONA, FOR THE YEAR 1955 REPORT OF THE CHAPLAIN—ARIZONA STATE COLLEGE,

The program of St. Augustine's Mission and Episcopal Chaplaincy to Students at Arizona State is expanding as rapidly as facilities allow. St. Augustine's is striving to present a program worthy of the Episcopal Church at this new Arizona State College.

The congregation itself, which will eventually take over full responsibility for the work, increased by 57% in 1955. It is now hard at work in the constructing of the first unit of its physical plant. Funds for this construction have been provided by the Builders For Christ National Capital Funds Drive and the United Thank Offering. The actual work of construction is being carried out by members of the congregation and students working side by side on a volunteer basis. Only the most skilled of the jobs, such as cement finishing and block laying, are being sub-contracted, with all of the manual labor, plumbing, form setting, electrical conduiting and wiring, etc., being done by the volunteers.

While this construction work is being carried on, Sunday and Wednesday services are being conducted in a small meditation chapel on the school campus. This chapel seats 40 comfortably while are average attendance is slightly over 50.

Realizing its dual nature, St. Augustine's seeks to provide all of the activities normally associated with parish life as well as special activities to meet the special needs of the students. For those students who like a planned program of meetings the Canterbury Club meets every Sunday evening at the Varsity Inn, a Coffee Shop situated on the edge of the campus which is donated to our use by churchmembers Mr. and Mrs. Nels Jensen, owners and operators.

On Sundays, following the main service, an Inquirers' Group meets which is attended by both students and members of the congregation. During the past year, two series of Confirmation Instruction have been held with 8 of the 18 presented for Confirmation being college students. A new series of Instruction is scheduled to begin on the Sunday following this Convocation.

A course in Lay Reading is scheduled to begin on March 16 which will be open to both students and members of the congregation. It is our plan to begin services of Evening Prayer every Sunday evening after our building is completed with these services being conducted by the student Lay Readers.

The registration at the college now numbers over 5000 students of which about 200 are members of or have expressed a preference for the Episcopal Church. Of these about 75 have availed themselves of at last one of the activities provided for them (including not only weekly programs and services but also the availability of the Chaplain at all times for counseling and assistance.)

The Chaplain still uses the Varsity Inn for his "on-campus" office and this year is also teaching at the college for college credit in the Religion Department.

In conclusion, let us say, it is the hope of St. Augustine's that the first unit of our physical plant will be completed this spring to provide the facilities that are so urgently needed for our program at Arizona State.

B. STUDENT PROGRAM

Personal Contact: The average number of daily counselling sessions is 6, the average number of counselling sessions per week is 38; this includes conferences concernnig personal and religious problems, academic and social problems, and psychological problems. The number of students known personally by the Chaplain is about 300.

Worship: During the period from September to the end of December, 34 different young men assisted the Chaplain in the Services of the Church, acting as either Lay-Readers or Acolytes.

Sunday Services are held in St. Paul's at 8:00, 9:30, and 11:00, with Evening Prayer at 6:00 p.m., followed by the Student Supper and Canterbury Club meeting and program. Student attendance varied from 50 (first Sunday University was open, and lowest actual count) to 182 (highest actual count). The average attendance each Sunday the University has been in session is 122, as compared with 94 in 1954. Average attendance at the 6:45 a.m. Friday Holy Communion is 21, lowest actual attendance being 11 and the highest 65 (memorial service for Joe E. Comer, of Trinity Cathedral Parish).

University students also attend church in one or another of the other Tucson parishes. Such attendance is estimated to be about 100 per Sunday. St. Paul's Chapel of the Student Center is open 24 hours per day, is lighted at night, and kept warm during the cold months.

Canterbury Club Programs:

Are held each Sunday evening, right after Evening Prayer and the Student Supper, which is served for 60c per person. Attendance varies from 30 to 65, and during the past year the programs have included speakers from the faculty of the University, movies, and dances. There is usually one purely business meeting per month.

Teaching Program:

There are three Inquirer's Classes each week, at 4:30 p.m. Tuesday and Thursday, and 7:30 p.m. Wednesday. Out of 32 Baptisms in 1955, 19 were U. of A. students; out of 33 Confirmations in 1955, 26 were U. of A. students. Attendance at the Inquirer's Classes will vary from 10 to 30, with students intending ot be Confirmed, and also members who have already been Confirmed, taking the course, which lasts 12 weeks.

Recruiting:

At the present time we have three men in Seminary, four preparing to go in 1957. We have one recent graduate in the foregn mission field, in Liberia, and one who will graduate this year intending to go into the foreign mission field. There are at present three graduates of the Center working as priests in Arizona.

C. FINANCIAL STRUCTURE

The anticipated sources of revenue necessary to support the Episcopal Student Center for 1956 are:

The National Church	$1100.00
The Missionary District of Arizona, and Bishop's Discretionary Fund	$1200.00
St. Luke's Hospital, Tucson	300.00
The District's Women's Auxiliary	200.00
Five different Arizona parishes; (Trinity Cathedral, St. Philip's, Grace Church, St. Paul's of Tucson, and St. John's of Globe.)	$2420.00
Contributions from Parents and Friends	$2580.00
TOTAL:	$7800.00

D. REMARKS:

Inasmuch as the University is purchasing all the land along East Fourth Street, from Prak to Mountain, the Episcopal Student Center site will also be purchased and the University will take over its present site by May of 1957. Looking forward to this situation, the Bishop has purchased a lot at the N.E. corner of Speedway and Vine, with a 100 foot frontage on Speedway, and 192.5 feet on Vine Street. However, the funds to be received from the University for our present plant and site will not be enough to build a new Chapel and Student Center. This is going to be a most serious situation, and the Center will require every bit of help it can get from friends, alumni, and parents, as well as from the District and the adult members of St. Paul's Memorial Church.

Respectfully submitted,
REV. THOMAS A. BOGARD, M.A.
Episcopal Chaplain,
The University of Arizona

ANNUAL REPORT—1955

Executive Council

At a meeting held on November 29, 1955, a letter, addressed to Bishop Kinsolving from the Rev. Dr. William G. Wright, Director of the Home Department of the National Council, was read which outlined the sources from which funds could be derived for expansion purposes, both for grants and loans. The Rev. Dr. Wright also requested this body to submit a three-year plan for this District, indicating the needs from the various funds available. The three-year plan as recommended by this body and presented to Dr. Wright is itemized below.

From the United Thank Offering Building Fund $25,000
For a parish house at Tempe.
From other funds available:
Completion of St. Andrew's, Tucson $11,000
Are there any funds from which grants could be made for the following:
New installation at Glendale in the next four or five years $25,000
Church building, Holy Cross, Ajo $10,000
Chapel at Sedona $10,000
Chapel at Sunnyslope (suburb of Phoenix) $10,000

The congregation of St. Philip's-In-The-Hills, Tucson has borrowed the money on individual notes for establishment of a thriving new chapel of St. Michaels and All Angels who are rapidly paying off this debt. As soon as it is paid off, they expect to start another mission chapel under similar circumstances.

St. Paul's Yuma, is overcrowded and the city is moving out to a new area in reclaimed land due to new irrigation. They will need a new mission or new plant soon. Needed: $25,000.

There will also be a need for a new location for St. Paul's, Winslow in the near future and we would need about $10,000 for this.

Some of the above only represent a part of the cost since we expect the congregations can raise the balance of the money or the sale of old property might meet the same. We expect to announce two new parishes at the beginning of the year which have developd from missions.

Respectfully submitted,
ARTHUR B. KINSOLVING, 2nd, President.

RESUME OF ACTIVITIES OF ST. LUKE'S-IN-THE-DESERT TUCSON, ARIZONA

Following is a brief resume of the activities at St. Luke's in the Desert. Tucson, Arizona for the year 1955. During this period 27 patients were cared for. There were 9 admissions and 15 patients discharged for a total of 5,013 hospital days. Status of patients discharged:—apparently cured 4, arrested 1, improved 5, unimproved 3 and deaths 2.

Total operating cost $28,306.59. Income received from patients or from organizations paying for patients care $16,485.17. St. Luke's Board of Visitors contributed $5,08.91 toward operating expenses. The Woman's Auxiliary, Diocese of Los Angeles gave $430.00 to purchase linens. Gifts of jellies and canned fruit were received at Christmas from St. Paul's Auxiliary. Tombstone and St. Andrew's Guild, Nogales. Gifts totaling $404.98 were received from various individuals. Several beautiful Oriental rugs were donated for the chapter and recreation room by Mr. and Mrs. Ricardo Smith of Tucson.

Respectfully submitted,
HERMAN O. RASCHE, Superintendent.

ST. LUKE'S HOSPITAL, PHOENIX, ARIZONA

Within the past year St. Luke's Hospital has enlarged its program and is now designated as a general hospital with special emphasis on the care of patients in the heart and chest field. The Medical Staff now numbers 164.

Through the cooperation of the Maricopa County Heart Association, valuable diagnostic equipment has been added to St. Luke's cardio-respiratory laboratory facilities and heart catheterization tests are now being made for the first time anywhere in Arizona.

Every effort is being made to speed the construction of a new cardio-respiratory diagnostic and treatment wing at St. Luke's which will include extensive X-ray facilities. This is in line with St. Luke's goal of providing Arizona with an outstanding heart and chest center, thus making it unnecessary for patients to go out of the state for any surgery, special diagnostic tests or treatments related to this specialized field of medicine.

In addition to the tuberculosis wing of the new Memorial Building, the old facilities are also being used for tuberculosis patients as St. Luke's continues to do everything possible to wipe out this dread disease.

Last fall Mr. Carroll F. Phelps resigned as administrator of St. Luke's Hospital because of his health. His resignation was received with deep regret. Bishop Kinsolving, president of the Board of Trustees of the hospital, stated. "St. Luke's Hospital will always be grateful to Carroll Phelps for his outstanding service throughout the past ten years."

Respectfully submitted,
WALTER J. MONTIGNANI, Administrator

STATE OF THE CHURCH & THE BISHOP'S ADDRESS AT PRESCOTT, 1955

The Committee on the Bishop's Address and the State of the Church finds much to be thankful for in the advances made in the Ditsrict over the years covered by Bishop Kinsolving's leadership. The evidences of the forward look are all about us and the hope of your committee is that we may have a most successful result in attaining diocesan status.

It has been a happy satisfaction to know of the increase in Confirmations throughout the District and we are hopeful that 1955 will bring us over the anticipated number of 1,000 for the year.

The report given of the missions of the District is encouraging and the evident healthy condition of both missions and parishes make for joy on the part of the whole of our "District Family".

We close with the prayer that the future may continue bright and that we may, by the Grace of God and the strong efforts of our Church in Arizona, soon take our place as no longer being on the National Council's "dole-list", but be able to stand upon our own financial feet and do for others as we have been done for over the many years of the past.

Respectfully submitted,
THE REV. R. A. KURTZ, Chairman

THE WORK OF THE CHURCH PERIODICAL CLUB OF THE MISSIONARY DISTRICT OF ARIZONA 1955

Owing in great part to the very fine foundation laid by Mrs. Kinsolving for the work of the Church Periodical Club in our district, we have a very good year to report.

Contributions of $260.25, from 38 Guilds and 4 individuals, plus $15, from the diocesan Auxiliary have been paid to our treasurer. In addition, two guilds in Globe and St. Mark's Church, Mesa, have subscribed direct for magazines totaling $31.69 and gifts from several individuals bring our grand total of cash contributions (that we know about) to $418.73.

Hundreds of magazines are remailed, and it would be very helpful if the persons who send them would let us know to whom they are going. Notify Miss Cornelia Lyne, R.F.D. 1, Buckeye, Arizona.

Our C.P.C. in Arizona, and those individuals who have reported to us are subscribing to magazines for more than 34 missionaries. This does not include hundreds of magazines remailed by various people.

We have sent this year to the book fund $80 and hope to send more soon. Last year Mrs. Kinsolving sent $144. It is through the book fund that the National C.P.C. furnishes missions all over the world with Bibles, Prayer books, medical, scientific, and technical books. The tremendous help this is to the Lord's work is shown in the following comments, taken from a report containing scores more of similar ones.

A missionary clergyman and physician in the Orient says "There are two kinds of activity notable in the care which people in the American Church gave to the mission staff overseas; * * * one is the wonderful activity of the C. P. C. I cannot estimate how many $100's a year are spent in providing us with all the leading American medical journals, whatever books our doctors need, etc."

A Clergyman in the Philippines writes: "I am so deeply grateful for the work of the C. P. C. Without it I could never keep up the libraries of the three schools here. As it is, all three have Government recognition, which means they are top-notch. And you have brought great happiness to a great many shy little Igorot children."

Here in Arizona we have been able to call on the book fund also. Last Spring we asked for expensive technical books wanted by three young men identified with this State, who were graduating into the ministry—Lester Kinsolving, the son of our bishop (now in California), Mac R. Stanley (now in Florence, Arizona) and Adams Lovekin (now in Liberia). They have all expressed great appreciation of these gifts.

THE DEPARTMENT OF MISSIONS MISSIONARY DISTRICT OF ARIZONA REPORT FOR 1955

The Department of Missions wishes to report that, during the year of 1955, it arranged for a speaking tour of three points in Arizona, by the Rt. Rev. Louis C. Melcher, D.D., of Central Brazil. He spoke at Grace Church, Tucson; at St. Luke's Church, Prescott, and at St. George's Church, Holbrook.

The Department of Missions, together with the **Arizona Church Record**, also sponsored an essay contest for members of the church Sunday Schools of Arizona, on the subject of "My Favorite Mission Field." Winners were:

Cynthia Henderson of Grace Church, Tucson, and
David Townsend of St. Mark's Church, Mesa.

Honorable mention went to Nancy Etches, of Mesa.
